

## **My child's a freshman/sophomore. Why should I care about P3???**

There are a number of good reasons for you to get involved with P3, the Post Prom Party, even if your child is just a freshman or a sophomore. Here are a few:

#1 **TRADITION** 2008 will year mark the 4<sup>th</sup> Annual Post Prom Party. Start now and support one of the activities that makes River Hill GREAT!

#2 **COMMUNITY** Keeping our students safe isn't just good for juniors and seniors, everyone benefits! Keep in mind that when students get hurt, the effects ripple through the whole school. You may not have a junior or senior now, but what about your next door neighbor or old babysitter? Let's take care of each other.

#3 **FUN** Many parents get to know each other while working on early preparations or the night of the event. If you are relatively new to the school, it's especially good to meet lots of parents through P3.

#4 **IT JUST MAKES SENSE!** Parents of juniors and seniors might be pretty busy the night of prom, so parents of freshmen and sophomores are particularly welcome as workers at the event!

#5 **WHY NOT?** It may surprise you to know that in 2006, 70% of our P3 subcommittees had chairs and co-chairs whose children are freshmen and sophomores at River Hill! You will fit right in!! Learn the ropes early and help carry on the tradition.

#6 **PAY IT FORWARD.** If today you can make a difference in the lives of others, then you should act on that now. Of course we want the support of junior and senior families, but we'd like underclassmen families to seize the opportunity now if they can. Our hope is that, in the future, there will be more families coming up behind you to show their support when it is time.
