

U.S. History Performance Assessment

Decades of Change Project (1950s-1990s)

A typed copy is due on 6/8/04

Assigned Time Period _____

Group Members (5/group) _____

Key Events and Statistics - This portion of your project will be part of your Third Marking Period grade.

	Points Possible
Compile and summarize 25 key events from your time period. The objective is to determine the most important events of the decade - those that impacted not only that decade, but possibly future decades as well. Beyond listing the examples/events, you must clearly identify the relevance, explaining why you selected them.	
Five examples of economic change in the U.S.	12
Five examples of social change in the U.S. (civil rights, women, teens...)	12
Five examples of pop culture and/or innovations/inventions in the U.S.	12
Five domestic political issues	12
Five international political issues that impacted the U.S.	12
US statistical data for your time period. This should include US population, major occupations, average income	15
Annotated bibliography in MLA format. Textbooks and encyclopedias will not be counted as valid sources. At least 2 sources must be turned in with each section outlined above. As a group, at least 6 different sources must be used.	15
Correct grammar, spelling, sentence structure... Typed	10
Total Points (100)
